

**PARENTS: Please read and complete all information listed below.**

### **Confirmation**

Upon submission, you will receive an email from Google Forms of your responses. Please consider this email your confirmation that you are registered for the date/time you selected. However, further registration through FinalForms is needed (instructions listed below). Physicals can not be performed without this paperwork completed.

### **Registration**

- Please login to [www.fenton-mi.finalforms.com](http://www.fenton-mi.finalforms.com) to update (or create) an account for your student(s) for the 2023-24 school year. If you forgot your password, please use the “forgot password” link.
  - **Registration for the 2023-24 school year is OPEN.** Please enter/update all information and “sign” each respective form.
    - Parents: after you complete this process, students can then log in through their account and review/sign their forms.
  - Please be sure to select any sports the student may participate in during the coming year and review/update current medical information.
  - **IMPORTANT: When registering your student(s) for the coming school year, please do NOT SUBMIT pay to participate payments for the 2023-24 school year at this time! Please wait until at least July 1, 2023 to submit that payment. If you still owe a balance for the 2022-23 school year, those payments should be made at this time.**
  - Please be aware: some current forms may be revised before August 2023. Should this happen, you will need to review and sign any necessary changes prior to the start of your students next season..
  - When you have completed all of the sections, you can then **PRINT** a physical form via FinalForms with your submitted information.
    - **REVIEW** this printed form and sign (student AND parent) on page 3.
    - **BRING** that printed physical form (4 pages) with you on June 8th/June 13th for the physicians to review and complete.
  - ***IF you don't bring the printed version with you on June 8th/13th, you will have to complete the MHSAA physical card and sign it upon check in. Parent and student signatures will be required at that time.***
- Original copies of the Physical Forms will be kept and turned into the athletic department.
  - Physical forms will be uploaded to FinalForms within the following week. You will receive an email from FinalForms when that copy is available. You can then login and print a copy for your needs.

## **Acknowledgments**

- Please note that by completing the sign-up form, you consented to allow your student to undergo a physical exam on June 8th/13th.
  - You also acknowledged that the physician or physician's assistants are not necessarily performing a complete physical examination and are not liable for civil damages as a result of acts or omissions by the physician or physician's assistant in performing the physical examination (Except acts or omissions amounting to gross negligence or willful and wanton misconduct or which are outside the scope of the license held by the physician or physician's assistant) - Michigan Law, MCL691.1501 sec 2
- Please be aware that the physical examination may reveal disorders requiring further testing that we are unable to provide on-site.
  - Any recommended testing will need to be completed by your Primary Care Physician or other providers prior to clearance for athletic participation.
  - Also, some pre-existing conditions (asthma, heart murmur, current injuries, blood pressures, etc.) may also require further clearance from your treating physician(s).
  - Should this be necessary, you will be notified at the time of check out or as soon as able thereafter.

## **Cancellation/Time Change**

In the event that you need to *cancel* your planned time slot, please notify us as soon as possible so the slot can be opened back up to accommodate all those interested. Should you need to request a time *change*, those requests may be adjusted ONLY if there are available slots at that respective time frame. We will do our best, but can't guarantee those changes due to the overall number of participants. Please send any cancellation or time change requests to Mitch at [msmelis@fentonschools.org](mailto:msmelis@fentonschools.org). You will notify either way about the status of your request.

Thank you for your interest and support in our annual Sports Physical Night. This event could not be possible without the support of volunteers and workers. If you have any questions, please contact your school's Athletic Trainer.
